PETITION UNDER 37 C.F.R. §1.53(e) TO ACKNOWLEDGE COMPLETE APPLICATION

Sir:

A Notice to File Missing Parts of Non-Provisional Application was mailed March 1, 2004. The Notice indicated that Figure 9 appears to have been omitted from the application.

For the reasons set forth below, it is respectfully submitted that Figure 9 was included in the originally filed application, and thus the subject application should be accorded a filing date of December 2, 2003.

On December 2, 2003, Applicants duly filed a specification consisting of 43 pages, 18 sheets of formal drawings, and the requisite filing fee. These documents were hand carried to the mailroom of the U.S. Patent and Trademark Office. A copy of the postcard receipt itemizing the specification, 18 sheets of drawings and the filing fee was date-stamped by the U.S. Patent and Trademark Office on December 2, 2003, acknowledging receipt of these documents. Figure 9 was depicted on sheet 9 of the 18 sheets of drawings.

Accompanying this petition is a Declaration by Applicants' undersigned attorney, Scott D. Malpede, declaring that he reviewed the application papers on December 2, 2003, and these papers included a complete set of drawings consisting of 18 sheets.

Accordingly, it is respectfully submitted that Figure 9 was filed with the original application papers on December 2, 2003, and thus Figure 9 was not omitted from the application.

Therefore, the subject application should be accorded a filing of December 2, 2003.

A copy of the Notice is included with this petition.

Authorization is granted to charge Applicants' Deposit Account No. 06-1205 in the amount of \$130.00 pursuant to the petition fee required by 37 C.F.R. §1.17(h). Should the subject Petition be granted, a refund of the petition fee is respectfully requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
